Let's spread good vibes, not germs! 🎉

Here's a friendly reminder that if you're feeling under the weather, stay cozy at home. Coughs, sneezes, and other symptoms? 🤧 They're all contagious! So, if you're feeling off, take a rain check and join us when you're back to 100%. 👍 Don't forget, even if you're feeling better now than the day you became sick and still have symptoms, you're contagious. 🤒

Let's spread good vibes, not germs! 🎉 And remember, your health is our priority!
