### May Bike Month — We Crushed It! 😎

**Thank you to everyone who participated in May Bike Month!** I'm super proud of all of you who got out there and logged miles, showing some serious dedication. Whether you put in 10 miles or 100, every pedal stroke counted and helped us represent the club strong in the friendly competition. We had a lot of fun, made some great memories, and reminded ourselves why we love riding together. That's what makes this club special. Keep that energy rolling into the next rides and events. Let's keep pushing, connecting, and riding smart.

**We'll have some stats to share with you soon!**

## Let's spread good vibes, not germs! 🎉

May officially ends what's known as the cold and flu season and I'm ready to celebrate this! I made it through unscathed, but it was a rough season for many.

Here's a friendly reminder that if you're feeling under the weather, stay cozy at home. Coughs, sneezes, and other symptoms? 🤧 They're all contagious! So, if you're feeling off, take a rain check and join us when you're back to 100%. 👍 Don't forget, even if you're feeling better now than the day you became sick and still have symptoms, you're contagious. Let's spread good vibes, not germs! 🎉 And remember, your health is our priority!
