**Let's spread good vibes, not germs!** 🍌

May officially ends what's known as the cold and flu season and I'm ready to celebrate this! I made it through unscathed, but it was a rough season for many.

Here's a friendly reminder that if you're feeling under the weather, stay cozy at home. Coughs, sneezes, and other symptoms? 🤧 They're all contagious! So, if you're feeling off, take a rain check and join us when you're back to 100%. 👍 Don't forget, even if you're feeling better now than the day you became sick and still have symptoms, you're contagious.
